### Reasons for Amendment

- 1) The previous approval for Rates has been sought in the month of Aug 2024 vide doc ref no. 008-01/2024
- 2) Aletihad Trading has quoted for Milling Material QAR. 20/MT delivered price w.e.f 22-Aug-2024. Price is increased due to sourcing the material from Raslaffan instead of Doha earlier.
- 3) Nawar Khan Trad. & Cont. Co. a new supplier has quoted the price of Milling Material, w.e.f 21- Aug-2024. No change in existing price of other suppliers.
- 4) Sample of Milling Material from Nawar Khan Trad. & Cont. Co. was tested in our Lab & the quality team confirmed that the material complies the QCS requirement. (Test report attached).

- 1 QPMC is the Approved source in the Mix Design.
- 2 Purchase will be from ALCAT Contracting Co. for all projects. Milling Material will be procured from QPMC time to time to cover the compliance aspect during any sort of inspection from the authorities and consultants.
- 3 Negotiation for further price reduction & better payment terms is going on. Revised approval document will be submitted accordingly.
- 4 Transportation charge is QAR. 6.75/MT by ALC. We will take external transporter services if we find cheaper rate.
- 5 In case of any material shortage or unavailability of Milling material with ACC, we will procure from alternative supplier approved.
- 6 Payment to Arshad Ali will be released post receiving confirmation from production department that the material is received as per required specification.

# Revision if any in the above prices will be proposed for approval.
