BASIC DETAILS				REASON/OBJECTIVE OF THIS PURCHASE				RECOMMENDED SUPPLIER DETAILS																																																																																																																																					
Item / Asset Title : Machinery Type of Item / Asset : Water Chiller Department : Production Type of expenditure : Capital <input checked="" type="checkbox"/> Revenue <input type="checkbox"/>				a) Expansion <input type="checkbox"/> b) Capacity enhancement <input type="checkbox"/> c) Cost reduction <input type="checkbox"/> d) Replacement <input type="checkbox"/> e) Office equipments <input type="checkbox"/> f) Furniture & fittings <input type="checkbox"/> g) Others (specify) <input checked="" type="checkbox"/> .. Tool <small>Note: Pls attach feasibility study if a/b/c is/are applicable.</small>				Supplier name : Chillmax Technologies CoO - India Total value : USD 17,246/- Rate : USD 8,623/unit Ex-work Total Qty : 2 nos (Water Chillers) Pur. Memo. No : UB/ST-26/2021/022 Date : 24.07.2021																																																																																																																																					
REASON/OBJECTIVE OF THIS PURCHASE 1-Water Chillers (Online Chillers) are required for Arabic Small and Arabic Big bread lines to control dough temperature in order to improve quality of the bread. Existing capacity is not enough to meet the requirement. Working as follows: Total water required in Arabic small 6 lines and Arabic big 5 lines. No. of Mixer=11 Water per mixing=60 ltr. No of mixing per hour per mixer=6 Total water required=no. of mixer* water per mixing *No of mixing per hour = 11*60*6=3960 ltr Total available chiller capacity = 4*300 ltr= 1200 ltr Balance required chilled water = 3960-1200 =2760 ltr. Proposed chiller capacity per unit =600ltr. Per hour. Total required no. of chiller = 2760/600 =4.6 units of 600 ltr per unit. However, based on variation in production requirement [mixers in operation in a given time], recommended 4 unit by operation department. 2-We have identified another manufacturer, Camson Thermal apart from our approved suppliers namely Chillmax & STM. 3-There is price advantage of USD 14,512/- equivalent to QAR 53,804/- as compared to Chillmax (our existing supplier) 4-Approval document attached.
