Dear Sabah,

With reference to the previous email and commitments, we would like to inform you that we expected some funds from our clients on 15<sup>th</sup> of this month, unfortunately they didn't release the same.

Due to this, we are facing some fund flow issues in releasing the said payments. Also, we like to remind you that we have around Qar 1.3 million in retention with Al Cat Contracting from our zonal framework project. In light to this we would like to request an additional extension for settling the due amount.

Upon receiving the payment, we assure you we will settle the same without any delay. Moreover, we are settling around Qar 150,000/- via bank transfer every month without any default including this month.

So, we humbly request you to consider our request and support us with supply.

Thanks & Regards

**Aghil Jose**
