Votes:

1. QIIC is our existing insurer for QDC general insurance policy and their service is satisfactory
 2. We floated for quotes to SEIB, BEEMA, Al Khaleej quoted for the current renewal. SEIB officially declined to quote and other insurers did not revert even after several followups
 3. QIIC has offered 3% discount as compared to last year rates in PAR, 8% on MBD, 23% in Money Insurance EAT, 17% on Workmen Compensation policy, 27% on fidelity & 6% on Motor vehicle.
 4. Claims loss ratio is nil for all the policies .
 5. Motor Vehicles premium is calculated based on premium rate applied to depreciated value of sum insured for the comprehensive cover, however minimum premium may apply depending on sum insured. Additionally, there are certain vehicles only for TPL insurance and for the same TPL premium plus 'Personal Accident' (PA) cover will be charged over and above the premium mentioned in comparison sheet.
 6. Any addition of an asset will be charged on pro-rata basis
- Based on the discounts offered and better services we recommend to renew the policies with QIIC.
