Approx. purchase value for volume coverage for each month is approximately QAR 200,877 & Quarterly 602,631, reference attached consumption working.																		
In case of any additional volume requirement, purchase will be made as per approved QC Supplier rates or lower.																		
In LDPE/PET/PE/PP/HDPE/Garbage bins we have total 32 items in which 21 items have consumption less than 200kg.																		
Approx. Quarterly cost saving will be QAR. 7,467 in comparison with last PM based on 32 items identified for purchasing.																		
Notes:																		
1. We will buy at the above prices or lower, till April 2024 - next comparisons will be made at Q2 2024 or if the prices are increased. ✓																		
2. Wherever possible atleast 2 supplier will be maintained for each category.																		
3. We are in discussion with Emirates Printing Press from Dubai and Wheel Packaging from India to develop as alternate supplier for all Structure of Packing Material (refer Annexure I).																		
4. Choice of supplier will be made not only on being the cheapest, but also considering quality of print, capability of supplier, production capacity and availability of cylinder with the supplier.																		
5. The stated period is 3 month but Procurement department will be checking the market prices regularly/ before making new orders.																		
6. Purchase orders will be raised based on this approval & freight, clearance, insurance, legalization, DO or any other ports / shipping line charge will be paid at actual.																		
7. First Pack has maintained 2 criteria for Rates applicable - Qty. less than 500kg and more than equal to 500kg (refer Firstpack quotation)																		
8. ± 10 % of ordered quantity will be accepted																		
9. Variance in freight cost due to order quantity or shipment mode change or force majeure scenario will be accepted.																		
10. 5% duty will be applicable for imports other than GCC																		
11. Conversion rate for USD is considered 3.68/dollar.
