This is to certify that we surveyors from Polucon Services (K) Ltd Mombasa attended at the premises. Bakhresa Grain Milling-Uganda for the purpose of supervision of container stuffing.

We report our involvement and observations as follows: -

WEIGHT NOTE NUMBER	NO. OF BAGS	QUANTITY IN M/TONS	
		NET	GROSS
202312011109B	4,800	144.000	144.480

The wheat bran stocks were subject to visual inspection at the time of stuffing and our findings are that the product is of merchantable quality. A composite sample of each lot loaded has been retained for reference.

### CONCLUSION

"The inspection has been performed in accordance with the client's instructions and to the best of our ability and knowledge at the time and place of inspection and within the limitations of instructions received but without prejudice and without releasing seller/ suppliers and or other parties involved from their contractual obligations".
