Dear Isham,

Approved as per your request.

And I would like to suggest the damaged scrap spare parts if we can get from garage of each vehicle maintenance works (our delivery vans). And it can be sale to the scrap dealers based on the kilogram basis.

(Iron, SS metals, Alloys, Cartons, HD & LD plastics are demanded scraps in the market)

Just a Opinion only, if it is not possible then leave it.

Thanks & Regards,

Ajmal Aboobacker
