Dear Vijay,

Kindly update the below table with payment timeline to approach management for necessary approval to wait for the overdue payment.

We sought approval till 20th April last time & Management agreed with the condition that the payment must be regularized by 20th April.

However, we did not receive even partial payment against due from Dec-23 & Jan-24 sales. This table is crucial to approach management for requesting additional time.

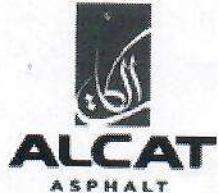

Hence, please update the payment plan below with reasonable dates & revert urgently.
