01. With the recent revised prices/rates of Bitumen 60/70, PMB & CRMB from suppliers, accordingly we have prepared this comparison sheet for approval.

02. Integrated Polymer Solutions has revised the price of Bitumen 60/70, PMB & CRMB w.e.f 20th December 2025. Revised price from other suppliers is not received. Revised approval document will be submitted accordingly.

03. Superior Dandelion quoted revised price with 15 days CDC. Previous payment term was cash advance. Currently, we are in negotiation for price reduction & more credit period.

04. Raetex has temporarily closed the operations.

05. We have included Membco in the Mix design certificate as approved source for PMB, Raetex in the Mix design certificate as approved source for CRMB material and Woqod in the Mix design certificate as approved source for 60/70 material. Hence we need to procure minimum quantity from the approved supplier.

06. Supplier preference is based on price and material quality.

07. In case of non availability of material with lowest price supplier & quality issue, we purchase from the next competitive priced supplier.

08. Woqod PMB production is inconsistent and is not an approved source in our mix design certificate, we will purchase from Woqod when it will be necessary from time to time.

09. Procurement plan will be made based on the production requirement, quality aspect and any other related concerns.

10. Negotiation for further price reduction & better payment terms is going on with all suppliers except woqod. Revised approval document will be submitted accordingly.

Price Comparison sheet will be revised and proposed for approval, if any of the above prices changes.
