This is to certify that we, Polucon Services (K) Ltd, attended at the premises of Bakhresa Grain Milling (U) Ltd, in Kampala Uganda for the purpose of carrying out inspection on the container, supervising stuffing exercise and sealing the container on conclusion of the operation.

We report our involvement and observations as follows: -

WEIGHT NOTE NUMBER	NO. OF BAGS	QUANTITY IN M/TONS	
		NET	GROSS
202312010066B	16,800	504.000	505.680

The wheat bran stocks were subject to visual inspection at the time of stuffing and our findings are that the product is of merchantable quality. A composite sample of each lot loaded has been retained for reference.

CONCLUSION

"The inspection has been performed in accordance with the client's instructions and to the best of our ability and knowledge at the time and place of inspection and within the limitations of instructions received but without prejudice and without releasing seller/ suppliers and or other parties involved from their contractual obligations".
