

CAPEX APPROVAL FORM	
Date :- 13/12/2023	
<b>ALCAT CONTRACTING COMPANY</b>	
<b>Purchase of one new 22 KVA Generator</b>	
<b>1. Proposal Title:</b> <u><b>Purchase of one 22KV Generator</b></u>  <b>2. Total Investment:</b> <b>QAR 19,500/-</b> <b>NPV : QAR 4,179/-</b> <b>IRR: 32.36%</b>	<p><b>CONTEXT:</b> ACC has been awarded the ZF_136 Zonal Framework Contract in Al Garaffa wherein there is a requirement to use Generator to run the Site Office A/C, Lighting, Office Machine, etc. Duration of this project is around 12 months. Out of the existing ACC owned Generators, there is no suitable one that can be utilized to the aforecited newly awarded project office.</p> <p>Currently ACC is using rental generator with capacity of 20 KVA at the rate of Qr. 2,400/- per month for the site office.</p> <p><b>Proposal:</b></p> <p>ACC proposes to purchase one new 22 KVA Generator for its project office use</p> <p><i>The said Generator will be covered under the budget of tools of Qr.350,000/- as per Business plan 2023</i></p>

KEY PERFORMANCE INDICATORS ( as per feasibility study).	
<p>The said Generator would be effectively saving cashflows over the rental cost and provide a positive return on Investment.</p> <p>The period considered for feasibility is one year with a realizable value of QAR 3,510/- (~18%) by end of the year .</p>
