ITEMS ON OBJECTIVE OF PURCHASE <p>1. ACC is having one 12.5 KVA generator attached to the Prime Coat Tanker. The said generator is frequently under breakdown while conducting the site operations. The repair cost is considerably high accordingly it is not feasible to repair the same. 2. The above generator is very critical for the said tanker for heating the prime coat material as and when required for the Asphalt Laying and due to the frequent breakdown it is becoming difficult to achieve the operational progress. Hence it is recommended to replace this same with a New Generator considering above, it is requested to procure one generator of 12.5 KVA to be attached to the Prime coat tanker considering the sensitivity of the work on urgent basis.</p> <p>CHANGES IN QUANTITY OR PRICE</p>

Subject: FW: REQ FOR GENERATOR 12.5 KVA DIESEL ANE SQ 15853

Dear Sir/Madam,

Greetings, thank you for your valued inquiry.

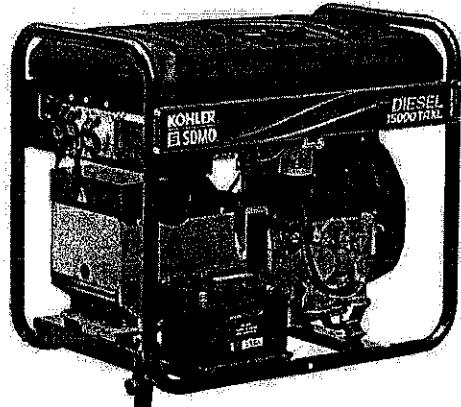

Resending you our revised and discounted offer for the item/s as per your requirement.

Should there be any clarification you may need, please do not hesitate to contact

Mr. Martin Mohan @ 3356 5523

Awaiting your valuable order confirmation

With best regards,

DIESEL 15000 TA XL - STAND BY

PORTABLE POWER

GENERATING SET Range DIESEL

PRODUCT ADVANTAGES

- Generating set guaranteed 3 years
- KOHLER air-cooled industrial engine
- Electric starter with batteries without maintenance
- Connection interface equipped with an hour meter
- Large Autonomy

The APM202 control panel displays overspeed, starting failure, oil pressure, battery and temperature. OIL SAFETY: Thanks to this functionality, the engine will not start or will stop during its functioning if the oil level for gasolines or the oil pressure for diesels is too low; your generating set is perfectly protected!

Range DIESEL

Both long run times and very long life for professional applications.
