ALCAT/82860

PROJECT TITLE	ZF_050 ZONAL INSPECTION FOR OUTER DOHA
SUB-CONTRACT AGREEMENT FOR	SUPPLY AND INSTALLATION OF TRAFFIC DELINEATORS AND BOLLARDS

This agreement is made on the 11<sup>th</sup> day of February 2021 between M/s Alcat Contracting Company W.L.L., P.O. Box 681, Doha, Qatar of the first party, hereinafter referred to as the 'Contractor' and M/s JNP Trading, P.O. Box No. 20437, Doha, Qatar, of the second party, hereinafter referred to as the 'Sub Contractor'.

Whereas the Contractor has a Contract with **Public Works Authority (ASHGHAL)**, the Client, for the complete construction and maintenance for all the works constituting the Contract known as "**ZF\_050 Zonal Inspection for Outer Doha**". The Contractor wishes to have Supply and Installation of Traffic Delineators and Bollards for the above project, known hereinafter as the sub-contract work completed, and maintained by the Sub Contractor.

The Sub Contractor agrees to carry out the said subcontract works at the above site for a subcontract price of **QR. 220,455.00** (Qatari Riyals: Two Hundred Twenty Thousand Four Hundred Fifty Five only). The unit rate for all items of work is fixed. Work done will be re-measured and Sub Contractor can claim only those approved work by Client back to back.

Subcontractor agrees to the following terms and conditions.

**CLAUSE 1 : SCOPE OF WORK**

- a) Supply and Installation of Traffic Delineators and Bollards with work description detail in the attached bill of quantities.

**CLAUSE 2 : MATERIALS, LABOUR AND PLANT**

The Sub Contractor agrees to supply all materials, labour and plant as necessary to carry out the sub-contract works in accordance with the enclosed Sub Contractor's proposal specifications, drawings and Contractor's programme requirements.

**CLAUSE 3 : TERMS AND CONDITIONS**

The Sub Contractor shall be bound under the agreement to the terms and conditions, drawings and specifications received from Contractor until the date of signing the contract. Sub Contractor has accepted under his contract with the Contractor using the following substitute terms.

Substitute - 'Contractor' for 'Employer' or 'Government' or 'Company'  
Substitute - 'Sub Contractor' for 'Contractor'.

Substitute - 'Sub-contract price' for 'Contract price'.

The Contract shall comprise this agreement together with the following documents:

- a) The specification as detailed in Clause 5 hereof.
- b) M/s. JNP Trading quotation by email dated 9 Jan. 2021 @ 3:04PM and Letter of Intent to Award ref. ALCAT/82758 dated 9 Jan. 2021.
- c) All other related documents issued by Contractor and received by the Sub Contractor formally before signing the contract.
- d) The conditions in this subcontract agreement shall prevail over the conditions in the Subcontractor's offer referred to in letter "b" of this clause.
- e) In the event of discrepancy between contract documents above parties shall try to resolve, in case of failure the decision of the Client shall prevail without extra cost on Sub Contractor.

CLAUSE 4 : **DRAWINGS**

The drawings referred to in this sub-contract shall include all drawings relating directly and indirectly to Supply and Installation of Traffic Delineators and Bollards received by the Sub Contractor before signing the Contract.

CLAUSE 5 : **SPECIFICATIONS**

The specification referred to, in this sub-contract, is as per requirement in the main contract and project specifications with all general clauses relating to Supply and Installation of Traffic Delineators and Bollards and this is only applicable for documents handed-in to the Sub Contractor formally before Contract signature.

CLAUSE 6 : **SUBCONTRACTOR'S PROGRAMME**

- a) The Sub Contractor agrees to carry out the works in accordance with the Contractor's programme which may be varied from time to time at the discretion of the Contractor. The Contractor shall advise the Subcontractor of any such adjustment.
- b) The Sub Contractor shall coordinate with all other Sub Contractors on site. The 100% access is not guaranteed and Sub Contractor is expected to allow other work simultaneously. Sub Contractor is expected to catch up the progress by increasing manpower & working long hours without obligation to the Main Contractor.
- c) The programme is subject to approval by Main Contractor and any necessary amendments shall be accepted at no extra cost. In case the job is delayed and contract period extended the Sub Contractor will not make any additional claim for the same.

d) Sub Contractor shall submit a construction programme which includes the following immediately after signing the subcontract agreement:

1. Detailed Weekly Schedule
2. Handing over schedule including cleaning up of your works.

CLAUSE 7: **FACILITIES**

- a) Sub Contractor has to arrange all the tools and facility needed to complete his work.

CLAUSE 8 : **PARTICULARS**

The following contract particulars shall be included in this contract.

- a) Sub-Contract Starting Date: 15 December 2020
- b) Sub-Contract Completion Date: 14 December 2023, subject to site condition.

CLAUSE 9 : **PENALTY**

9.1 If the Sub Contractor fails to complete the works wholly or partially within the prescribed time for completion in the contract, the Sub Contractor shall pay the Contractor an amount as indicated in the attached "Penalties Table 1, 2 and 3". The said penalties shall be payable without notice or recourse to legal proceedings and shall be deducted from any payment due or which may become due to the Sub Contractor.

9.2 Any penalties applied by the Client to the Contractor due to Sub Contractor's failure shall be applied to the Sub Contractor on back to back basis and shall be deducted as stated in Sub-clause 9.1 above.

CLAUSE 10 : **MATERIAL INSPECTION**

Inspection request for the material delivered at site shall be submitted within 24 hours after delivery by the Sub Contractor to the Main Contractor and which will be forwarded to the Client for approval before actual use at site.

CLAUSE 11 : **ISSUED FOR CONSTRUCTION DRAWINGS**

*D H*

CLAUSE 12 : **WORK INSPECTION**

Inspection request shall be submitted by the Sub Contractor to the Contractor Representative within 24 hours of completion of each activity in order to obtain approval from the Consultant/Client. All work completed at site shall be subject to approval by the Consultant/Client.

CLAUSE 13 : **DEFECTIVE WORK REPAIR/REPLACEMENT**

Defective work if commented by Contractor or Consultant/Client shall be repaired/replaced by the sub contractor at his risk and cost up to the end of sub-contract duration.

CLAUSE 14 : **STAFF SCHEDULE AND RESOURCES**

The Sub Contractor shall submit a schedule of staff, labour, and plant allocated to this subcontract within 3 days after signing this agreement and that shall form an integral part of this agreement. This will not relieve the Sub Contractor of his contractual obligation to meet the completion period of different milestones if the above to be inadequate. The Sub Contractor will be required to supplement the above with adequate resources to meet the completion period of different milestones and final completion date.

CLAUSE 15 : **DELAYS FROM SUB CONTRACTOR**

If during execution of the subcontract works, the Main Contractor realizes that the work is getting delayed due to shortage of manpower, material, tools, plants, etc. to keep up with the progress of works required by the programme or that the standard of workmanship is not acceptable, then the Contractor reserves the following options:

Option-1: Contractor will give only three days notice to the Sub Contractor to improve progress and to put sufficient resources to meet the required rate of progress. If this is not achieved by the Sub Contractor then the Contractor shall engage additional resources to help the Sub Contractor in achieving the required rate of progress which shall be done at the risk and cost of Sub Contractor.

Option-2: If Sub Contractor is not showing any interest to improve the works then the Contractor has full right to terminate the sub-contract after a notice period of one week and to remove Sub Contractor and his Agents from site, bring in another Sub Contractor to complete the works and retain any or all money due to Sub Contractor and use them for settling damages, cost or expenses sustained due to default of the Sub Contractor. Any residual money left after all above has been settled, shall be paid to the Sub Contractor upon getting final completion certificate and receipt of final payment from the Client.

CLAUSE 16 : **SITE REPRESENTATION**

Sub Contractor shall provide continuously on site a representative to receive and comply with instructions from the Contractor after commencement of sub-contract works. The Sub Contractor will make frequent site visits during the sub-contract period. Sub Contractor should make their own arrangements for the collection of correspondence from the Contractor's main office regularly.

CLAUSE 17 : **VARIATIONS**

The Contractor shall have the right to vary the quantities as directed by the client (increase and/or decrease) as per the following:

- a) In the event of variation the Contractor shall serve a variation order in writing to the Sub Contractor. Any variation applied by the Client to Contractor will be applied to Sub Contractor.
- b) Pricing of variation works shall be as per the contract price provided that in case of lack of prices in the contract documents parties shall mutually agree on the prices as per the market rates.
- c) Verbal variations shall be acknowledged by the Sub Contractor in writing such acknowledgement shall be deemed as variation order.
- d) Payment for additional scope of works shall be paid after receiving Client approval for the completed works.

CLAUSE 18 : **VALUATIONS**

The Sub Contractor shall submit his monthly valuations to the Contractor on 25th of each calendar month with details of value of work executed to date for inclusion in the Contractor's monthly valuation submission. If submission is made late, it will be considered for next month valuation only.

CLAUSE 19 : **DISPUTE RESOLUTION & GOVERNING LAW**

This Contract shall be governed by Qatari laws and Qatari courts shall have the full jurisdiction to resolve any relating dispute.

CLAUSE 20: **CONDITIONS**
