Dear Mr. Zohaib,

I am aligned, kindly proceed.

Regarding the Method Statement, I have updated it please refer to the attached file. Kindly share it with the contractor and ensure that they formally submit it for approval prior to execution.

Thanks & Regards,

Ahmed Said

Subject: RE: Final Revised Quotation – Cooling Tower Foundation

Dear Zohaib,

With reference to the attached email “*Consultant confirmation to use the existing foundation*”, I am aligned with the offer; however, I have noted minor comments in the attached document.

In addition, I would appreciate it if the Contractor could confirm that the method statement will be submitted and approved prior to proceeding with the works.

Note: The concrete grade shall be **SRC 30**.

No	Description	100 mm	(
1	Cutting and removing the existing 50mm thick tar/bituminous road surface including debris disposal; providing and laying 50mm thick PCC levelling course; and execution of C-25 grade reinforced concrete works for beam area with reinforcement (3 nos. 14mm bottom bars, 2 nos. 14mm top bars, and 8mm stirrups @200mm c/c), including chipping, formwork, shuttering, placing, compaction, curing, and finishing — all in accordance with the approved drawings, specifications, and Engineer's instructions.	100 mm C-25 3 nos	(
